2023 Notification

Asbestos Management Plan and Inspection Reports Survey

In accordance with the EPA's regulation 40 CFR 763.93 (4) **Notification of Availability of Management Plans**, the Carson Montessori Charter School is notifying all parents/guardians, teachers, employees, Governing Board Members, and other interested entities of the availability of CMCS' Asbestos Management Plan. The plan is located at the school's office at 2263 Mouton Drive, Carson City, NV 89706. The plan may be reviewed during normal business hours.

The plan is required to contain information regarding the location of all Asbestos Containing Materials (ACBM) as the result of the *Asbestos Hazard Emergency Response Act (AHERA) Inspection*. The inspection indicated that there is no CBM (asbestos) in the facilities currently. As a result, there is no planned corrective action, other than to continue to provide this notification on an annual basis and to maintain the Carson Montessori Charter School site as an asbestos free site.
