

Good Evening Carson Montessori Families, this is Mrs. Daniels. We know that the last few days have been very confusing regarding the wearing of masks and the end of the year protocols. Carson Montessori, as well as the Carson City School District, will keep our Covid Protocols in place through the end of the school year. MASKS will still be mandatory. We will continue to give students mask breaks, while outside, as long as they stay three feet away from their friends. We are so proud of what we have accomplished this year, especially that we have been able to be fully open, with all of our kiddos and our families being able to be safe. With only 9 school days left, we are busy working on the end of the year festivities, complete with some of our CMCS wild, weird, wacky and most of all FUN activities. We are so grateful to all of you for working with us to make this a memorable year, in spite of everything. Hang in there, we're almost there and we know we can do it. Remember, what's most important is that WE LOVE YOU!
