

Hello Carson Montessori Families, this is Mrs. Daniels. We hope you are enjoying summer and getting excited about coming back to school. We have some important announcements to help you plan and we will continue, in the next couple of weeks, to send out information through Messengers, emails and posts to our website.

At this point Masks will be required inside of the building for all staff and students regardless of vaccination status. We will continue to follow Governor Mandates and the Carson City School District.

Early next week you will receive an emailed form to update contact information, respond to specific questions and to make your personal educational choices.

CMCS will again be offering 2 Learning Models to choose from. You can choose In-Seat Learning 5 days a week. Or you can choose to be Fully Remote 5 days a week. The Remote option will have a blend of live and self-paced learning delivered by a fully certified teacher. We ask that you commit to 9 weeks for the remote option. Be sure to watch for the emailed form so you can let us know which learning model you will be selecting.
